# BLUEPRINTS & SCHEMATIC PLANS

For years Owen Magic Supreme has been recognized as the only reliable source for practical illusion plans and blueprints that are authentically correct in word and detail. Our plans are the result of over 95 years of illusion crafting bringing you the result of our experimental labor. They are truly superior to any other plans available to the do-it-yourself magician.

No illusion plan is practical unless it is drawn by an illusion mechanic who is thoroughly familiar with the actual construction details of the illusion. Owen plans are the standard of the profession.
